

CAREER OBJECTIVE

Innovative tech enthusiast with a foundation in Artificial Intelligence, Machine Learning, and Web Development. Experienced in mentoring students in technology, fostering analytical thinking and practical skills. Adept at translating complex ideas into scalable applications while continuously advancing technical expertise and embracing emerging technologies. Thrives in collaborative environments that foster creativity, critical thinking, and impactful problem-solving. Currently gaining hands-on experience as a Full Stack Developer , contributing to real-world projects that integrate robust backend logic with intuitive, user-friendly interfaces.

EDUCATION

2023 - 2027

LAMRIN TECH SKILLS

UNIVERSITY ,ROPAR PUNJAB

BTech CSE(AI&ML)

SGPA : 8.7 2023 Present

2022-2023

MERITORIOUS SCHOOL

GURDASPUR

High Secondary -89%

Secondary -100%

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript, PHP, HTML, CSS
- **Web Development:** HTML, CSS, JavaScript, PHP, MySQL , XAMPP, React.js (Basic), Node.js (Basic). Flutter (Basic).
- **Data Structures & Algorithms:** Problem-solving, algorithm design, complexity analysis, coding mentorship, structured interview preparation
- **Data Science & Machine Learning:** NumPy, Pandas, Scikit-learn, Seaborn, Matplotlib, TensorFlow,Pytorch.
- **Databases:** SQL, MongoDB (Basic)
- **Tools & Platforms:** Jupyter Notebook, Google Colab, Visual Studio Code, GitHub.
- Operating Systems: Windows, Linux (Basic proficiency).

SOFT SKILLS

- Time Management & Punctuality
- Leadership & Team Collaboration
- Adaptability & Flexibility
- Strong Interpersonal Skills
- Creative Problem Solving &Critical Thinking

WORK & EXPERIENCE

Full Stack Developer

BRIDGE GROUP SOLUTIONS Feb 2025- April 2026

- Possess 1.2 years of professional experience in Full Stack Development, delivering scalable and high-performance web applications.
- Successfully delivered 15+ live client projects, managing the complete software development lifecycle from requirement analysis to deployment.
- Recognized for successfully delivering a live client MVP, earning formal appreciation for commitment, technical excellence, and timely execution.
- Integrated and optimized secure payment gateways, including Razorpay and PayU, ensuring seamless transaction experiences.

Technical Trainer- Internboot

- Mentored and trained 100+ students across multiple batches in programming, web development, and core technical concepts.
- Delivered structured interview preparation, coding mentorship, and practical problem-solving guidance aligned with industry standards.
- Contributed to curriculum design and personalized learning pathways, enabling effective learning outcomes for diverse student profiles.

CERTIFICATIONS AND ACHIEVEMENTS

- Certificate of Appreciation – RX Medical Trust (for successful completion of live client MVP project)
- Core Java
- Tableau
- Basic Data Science with AI/ML
- Chatbot with AI
- Introduction to SQL
- AI for Career Growth
- Data Science & ML Internship – Demo Session
- Data Science 101 – IBM
- Sales Dashboard Analysis – Excel
